Labels, Swing Tickets and Barcode Printers

3 Series

The 3 series printer is available with either 200dpi (3120, 3420) or 300dpi (3130, 3430).

With the 3 series printer in your company, you can print adhesive labels on demand to apply direct to your products saving time and money within the business.

Printing barcodes, batch codes, sequential numbers, dates and other variable information to your label gives you traceability and flexibility.

All of the consumable parts such as printheads and rollers can be replaced in a matter of seconds by the user without the need for any tools or an engineer.
