

soabar

Labels, Swing Tickets and Barcode Printers

6 Series

The 6 series printer is 300dpi as standard when coupled with the corner edge technology the clarity of the print is very high.

With the 6 series printer in your company, you can print adhesive labels and card swing tickets on demand to apply direct to your products saving time and money within the business.

Printing barcodes, batch codes, sequential numbers, dates and other variable information to your label gives you traceability and flexibility.

With onsite installation and training you can be sure your staff will be able to operate the printer easily.
